And how shall they believe in Him of whom they have not heard?

Sunday Speaker — **Rev David Martin**
3rd November Irish Church Missions, Dublin

Irish Church Missions is an Anglican Church Planting platform established in 1849 to evangelise and plant churches in Ireland. 170 years later this is still our passion and our purpose. We pioneer new and strengthen old churches.

Our prayer is that the Lord will graciously raise up church planters and through them and their teams evangelise and gather people into a culturally mixed variety of plants across Dublin and then across the island. We are committed to seeing gospel believing, gospel living and gospel sharing churches established and strengthened.
